A gesture worth its weight in gold

GIVING TREE CAMPAIGN

Plant the seed of love for our golden generation

The Giving Tree is an initiative by Lions Befrienders that gives like-minded organisations the perfect opportunity to give back to society, enabling us to help our seniors improve their well-being through our Befriending and Community Outreach Services.

Made up of wall-mounted embossed Giving Leaves or Giving Plaques, the Giving Tree allows you to leave your mark and proudly show your support as your organisation's name will be embossed and displayed at our Senior Activity Centres.

This is an exclusive opportunity to positively impact the lives of our seniors in need. Each leaf that sprouts from the Giving Tree is a token of recognition for the generosity of organisations that care, as well as a sign of hope of a nation that remembers its history, and cares for its seniors.
